From: May, Rick[mailto:rick_may@ios.doi.gov] Sent: Thursday, November 30, 2017 7:32 AM To: VandeVoort, Rachel Subject: Re: Montana's Office of Outdoor Recreation Rachel, New on the block but certainly not to recreation. I have ridden your State by off-road bicycle as part of the Great Divide Race, (Banff to Mexico) five times in the last seven years. I too enjoy fly fishing and most other outdoor sports. Strange to be indoors working the issues these days, but I get out when I can. Sure, let's talk. I have big plans and need help to get them done for the benefit of our people. This is public service and I want to get it done! Best, Rick Office 202-208-2651 Cell (b) (6) On Wed, Nov 29, 2017 at 3:42PM, VandeVoort, Rachel <Rachel.VandeVoort@mt.gov> wrote: Hello Rick! A Big Sky State welcome to the world of outdoor recreation! I am excited to learn more about you, your new position and plans for the future. I myself recently left the firearms industry to create this office for Montana; I think we should plan a meeting over some recreational range time (fly fishing an acceptable substitute). Please let me know what time you have available for a call. Have a great day! Description:

Long discussion this morning with Rick May, Zinke's Senior National Advisory on Outdoor Recreation. He will be with you in January and we discussed ATA priorities and his potential contributions to the meeting. He is an accomplished archer, so that gives him some cred and interest. We reviewed the major role that Interior plays under the Pittman Robertson program and as the manager of nearly 25% of the nation's surface, including many lands near population centers. We discussed the surge in interest archery has enjoyed, in part through the industry's focus on school PE programs and in part through the popularity of Hunger Games and the Olympics. As you know, Rick is rose to a major leadership role with the SEALS, retiring as a captain. His energy and passion are remarkable. And the Secretary is actively supporting Rick's efforts to make a difference, and to make the Secretary's expressed hopes to have all Americans benefit from the Great Outdoors a reality. I told Rick that we should set up a time for you to talk by phone next week ... perhaps on January 4. I know you could be helpful in providing background and in developing some messaging Rick could use to make his appearance of value to ATA and Interior. Among the key points you could consider: 1. Near-urban cooperative efforts between the archery industry, state agencies and Interior to expand upon the school-based outreach now underway; 2. Dollar figures on your industry (and its Made in America component) and on the excise tax revenues which flow through USFWS; 3. Suggestions for sustainable partnerships involving Interior lands, private investments/contributions and program operations in partnership with for-profits, non-profits and other public agencies, including states; 4. Coordination with other steps to expand recreational access and enjoyment - linking archery with camping and more.
